The festive period is not 'merry' for everyone.

Money worries, anxiety, loneliness, grief and difficult relationships are just a few of the factors that can make the festive period a difficult time.

Below is a range of resources providing cost of living support, food services and connection spaces across Greater Glasgow and Clyde.

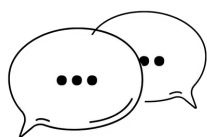

Please note that the services listed below are a guide and opening times may change. If you or someone you know need an immediate response, please call the emergency services on 999.

East Dunbartonshire

East Dunbartonshire Council website provides information on cost of living support including money advice, access to food and housing.

East Renfrewshire
