

APPLICATION FOR FUNDING

NHSGG&C RESEARCH ENDOWMENT FUND ALLOCATION 2022/2023

NHSGG&C-wide Research Endowment Fund will no longer be hospital specific but will otherwise be awarded in agreement with the terms of the original bequests.

The following categories are open for applications:

Cancer
Chest, Heart and Stroke
General
Renal

The usual amount of funding available for each project supported is in the region of £8-15k to support the costs of a specific research project lasting 1 or 2 years.

Maximum funding available is £25K per project.

Endowment funds are specifically intended to support early stage researchers to establish their own research portfolio. Experienced researchers (e.g. 7 years post Consultant or Research team leads) should seek funding for their projects from an alternative source

Completed **word document** applications must be submitted to R&I for review and sign off by finance no later than **Friday 3rd February 2023**. Please send these to Islay Morrison

Following agreement of costings with finance, fully completed and signed off application forms can be submitted. (1 ELECTRONIC COPY & CV).
Electronic signatures will be accepted. Please submit in word document format.

Submission Deadline Friday 17th February 2023
Applications received after this date will not be accepted

Email completed applications to islay.morrison2@ggc.scot.nhs.uk

General enquiries and final submissions go to Islay Morrison
