Dear Colleague

Immunology Autoimmunity Tests – Normal Service Resumed

On 27/01/25, a letter was issued notifying users of service issues in Immunology resulting in delays to results. I am pleased to inform you that all issues have now been resolved and normal service has resumed.

We are currently working through the backlog of samples and expect to have cleared this by the middle of next week.

I apologise for the delays which may have been associated with this. Please do not hesitate to call if you require any further information.

Yours sincerely,

**Sylvia Arthur
Laboratory Manager
Immunology**
