## Excellence Awards

Thank you to those of you who have taken the time to enter your colleagues into this year's Excellence Awards.

If you haven't entered yet, there is still time to tell us about your colleagues that you feel have made a special difference to their patients, colleagues or improved ways of working.

We know that each and every day our staff deliver outstanding patient care and go that extra mile to ensure our patients and their families receive the optimum in patient care - and we really want you to tell us about them!

We are not just looking to celebrate the tremendous efforts of our staff, we are also looking for services that staff have moulded to patients' needs or projects that have transformed the way they work.

We also want to hear about the tremendous work of our volunteers and our staff that dedicate precious time to travel overseas either as part of a team or individually to provide healthcare and/or education in developing countries or in countries in crisis. Or perhaps you or someone you know are in the Reserve Forces or someone you know has taught people from abroad within NHSGGC's own healthcare facilities. We want to hear your stories of our staff helping people.

The categories remain the same and are: Better Care; Better Health; Better Value; Better Workplace: Global Citizenship; Nursing; and Volunteer.

To nominate visit, [www.nhsggc.scot/excellenceawards](http://www.nhsggc.scot/excellenceawards). The closing date for entries is Monday 19 February 2024.

## Roadworks M8 eastbound junction 13 – 14

We have been advised Amey will be carrying out carriageway repairs on the M8 eastbound between junction 13-14 from Monday 15 – Saturday 27 January 2024. This will result in overnight closures of this section of the M8 from 10.00pm – 6.00am, with local diversions in place. More information is available from [Amey](#) or from [NHSGGC Roadworks and Transport News](#).
