Staff Winter Vaccination Week - Drop-in Clinics reminder

If you have been unable to get your winter vaccinations, there's still a chance to do this!

Get vaccinated now to reduce your chances of serious illness over the festive season – and protect your family, friends, and patients too!

What You Need to Know:

Eligibility: All clinical and non-clinical staff are eligible for the flu vaccination. Clinical staff are eligible for the flu and Covid-19 vaccination.

Staff Flu Vaccination Week: From Monday 16 to Friday 20 December, we're launching Staff Winter Vaccination Week — a week filled with drop-in vaccination clinics dedicated for you across all hospital sites.

Time out during shift: There is understanding that, when suitable, staff can go during work hours to receive the vaccine. Please talk to your team lead to ensure you can be released at a time that suits.

Why Get Vaccinated?

Protection: The winter vaccines are your best defence against serious illness. It can reduce impact if you contract the virus and prevent hospitalisation.

Team effort: By maximising staff vaccinations, we collectively reduce the risk to our patients and families particularly during the winter period.
