The evening finished on a tremendous high with the presentation of not one but two Chair's Awards of Excellence. These awards recognised outstanding achievement, expertise and dedication in patient care.

The winners of these awards are:

Dr Mike Basler who, since 2017, has accompanied the plastic surgery team at GRI visiting Ghana to provide anaesthetic care to patients and courses for local staff. For his last trip before retirement, Dr Basler pulled together a larger team of anaesthetic consultants and trainees to provide a more ambitious programme of teaching along with anaesthetic support in theatre.

The Teenage and Young Adult Cancer Team for organising a residential trip for young people who have or are currently suffering with a cancer diagnosis. They developed the programme, facilitated the activities, bought the food and prepared all the meals, whilst still managing their clinical roles.

Congratulations to all of the winners and everyone nominated!

Finally, we are pleased to announce that a total of £2,809 was raised for Maggie's charity through donations on the night!

Congratulations

to all the winners and nominees at the NHSGGC Celebrating Success Awards 2024
