- What is Palliative Care
- The Dying Process

### How people felt:

### What people said:

"Liberating to discuss death so openly."

"Death is part of living, but a good death is a gift and as a nurse I feel privileged to participate in my patient and families journey."

"Definitely made me think about what is most important to the people that we support."

"Informative, relaxed and practically useful."

82%

Felt more confident to have a conversation about death, dying and bereavement.

98%

Would recommend to friends, family and colleagues.

86%

Would be interested in attending future events on these topics.

bringing dying into the limelight
