demystifying death week

1st - 14th May 2023

There are so many things we want to share with you, we have decided to celebrate across two weeks instead of one. This also coincides with Dying Matters Week in England, Wales and Northern Ireland.

Demystifying death week is about shining a light on death, dying and bereavement in Scotland.

Events throughout the week will give people knowledge, skills and opportunities to plan and support each other through death, dying, loss and care. To book any of the events, click the box that you're interested in.
