

Please fill in as much information as possible. If possible, please share information via the Summary on Clinical Portal.

We are sharing this information for routine patient care as part of our Board's duty to provide healthcare to our patients. Under article 6(1)(e) of the UKGDPR and in conjunction with the Intra NHS Scotland Sharing Accord, we **do not** require consent to share this information. However, it is best practice for staff to make sure the individual and/or their legal proxy is aware this information will be shared when conducting Future Care Planning conversations. If the patient would like further information about how the Board uses their data it can be found in our Privacy Notice here: https://www.nhsggc.org.uk/patients-and-visitors/faqs/data-protection-privacy/#
