

Health and Care (Staffing)(Scotland) Act

Update for Medical Staff, June 2024

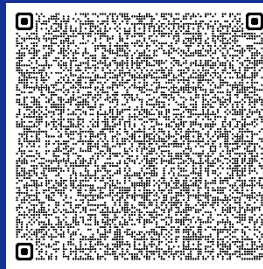

Time to Find Out More

All Medical staff employed by GGCHB are within the scope of the new staffing Act

By April 2025, new systems will be in place to ensure we have appropriate staffing for safe and high-quality care, as described in the Act. Use any of the resources below to find out how this will affect you.

Grand Round-look for
15.5.24 Presentation.
