## Moving Forward Together

### Greater Glasgow and Clyde's Transformational Change Programme

Dr David Stewart

Lead Director for Acute Medical Services

December 2017

# Moving Forward Together

- Programme to transform healthcare and social care services for the future
- All of Glasgow and Clyde
  - Health Board and 6 Health and Social Care Partnerships working together
- Work with partners to develop Strategy
  - Scottish Government, neighbouring NHS Boards, Local Authorities, Scottish Ambulance Service, Third Sector, Education

# Programme Aims

- A clear plan for change to make the Government's vision for health and social care a reality
- New ways of working will be developed that;
  - Provide safe, effective and person centred healthcare and social care
  - Make best use of available resources and opportunities created by innovation and technology.
- Delivery of the Moving Forward Together Programme will see improvements in care and outcomes for everyone

## How will we do this?

- A Core Team has been established to deliver the Programme;
  - Composed of multidisciplinary healthcare and social care clinical and managerial staff from across Greater Glasgow and Clyde
- They will engage with those delivering services;
  - Present specialist clinical, nursing, social care and other key staff the relevant data and information
  - Will hear feedback and ideas based on their knowledge and expertise to underpin the development of the Strategy

# How will we do this?

- They will engage with people who use the services;
  - Establish a Stakeholder Reference Group to advise on how we inform and engage
  - Use an open, transparent and accessible engagement process
  - Provide high quality accessible information and opportunities that allow us to have meaningful conversations
  - Record all feedback describe what we heard and how this influenced the Strategy
