Voting Member and the Third Sector representative. Members were also asked to consider the removal of an Acute Services representative from the membership as this has remained a vacancy since 2022. Members requested that this position remain on the IJB and Officers agreed to take forward with NHS GG&C to identify a replacement.

- **Interim Chief Officer Update**

The IJB received a verbal update on delayed discharges, noting the latest position on acute delays, including Adults with Incapacity. A significant increase in the number of delays recorded on the system during April was highlighted. An update was provided on Discharge to Assess and Intermediate Care placements.

An update was also provided on Homelessness and Asylum in terms of homeless applications and the total number of households in temporary accommodation and bed and breakfast accommodation, including those from asylum and refugee households.

- **Integration Joint Board - 2024-25 Budget Update**

A report was presented providing an update on the revenue budget for GCIJB for 2024-25 following approval of the budget by the IJB on 20 March 2024. Following discussion, the IJB noted the update provided in relation to the savings proposals; approved health savings of £4.034m, of which £3.160m will be delivered in 2024-25; and noted that savings proposals in relation to Hospital at Home and the balance of the saving in community health services within Children and Families will be deferred to the June IJB (*this was subsequently deferred to September following legal advice regarding the pre-election period*).

- **Sign Language and Interpreting Service (SLIS) Review**

The IJB received an update on the review of the Sign Language and Interpreting Service with proposals for the future delivery of the service. The IJB noted the outcome of the Review with the three options available and approved the option to develop a hybrid model with streamlining of the current service delivery.

- **Rapid Rehousing Transition Plan Update**

A report was presented to update the IJB on the successes of the Rapid Rehousing Transition Plan (RRTP) and to outline the challenges faced during its delivery. The report outlined the funding received for 2024/25 and sought approval for the proposals of how part of this funding will be allocated. The IJB approved the RRTP financial commitments set out within the report and to continue funding existing RRTP posts in 2024/25.
