Craniofacial Service
Royal Hospital for Children
1345 Govan Road
Glasgow
G51 4TF

Dear Parent/Carer

Your child has been referred to the craniofacial service at the Royal Hospital for Children, Glasgow.

Your initial appointment will be in a multidisciplinary clinic that sees children with a variety of disorders of the face and skull.

The following are members of the team that you may meet at that clinic:

Mr David Koppel	Consultant Maxillofacial Surgeon
Mr Meharpal (Raju) Sangra	Consultant Paediatric Neurosurgeon
Mr Moorthy Halsnad	Consultant Maxillofacial Surgeon
Mrs Shona Forsyth	Clinical Nurse Specialist
Ms Lisa Crampin/ Ms Linsay Campbell	Speech and Language Therapist.

Your child may see other health professionals during the clinic e.g. Ophthalmology or ENT doctors and your child may have their photos taken in medical illustration.

There are often medical registrars, students or visiting clinicians attending the clinic as part of their training.

Your child may not need to be seen by everyone but there will be other children attending the clinic that do.

Yours sincerely

Mr David Koppel
Consultant Oral/Maxillofacial Surgeon & Craniofacial Surgeon
