Pathway Guidance for NMC Practice Supervisor and Practice Assessor Preparation

This guidance outlines the process you must follow in order to prepare for your role in supervising and/or assessing pre/post registration nursing and midwifery students

Registered Health Care Professional

- Discuss professional development activity with line manager
- Access [Practice supervisors and practice assessors' learning resource on TURAS Learn](#)*
- Complete online self-assessment form and activities for those preparing for the Practice Supervisor or Practice Assessor role. Your [PEF/CHEF](#) is available for support
- On completion of new learning, discuss/evidence this with line manager and confirm support
- Contact [Practice Education Team](#) to arrange HEI programme and Practice Assessment Document (PAD) session and further support

*must be logged into TURAS to undertake modules

Registrant's Line Manager

- Supportive discussion to agree to this professional development opportunity
- Discuss protected time. Please access [Practice Supervisor / Practice Assessor Preparation - NHSGGC](#) for details
- On completion, meet with registrant to discuss/review evidence of new learning
- Update your local training system or Practice Supervisor/Practice Assessor preparation list
- Inform [Practice Education Team](#) to update QMPLE
- Enquire at Appraisal of their role and discuss future development requirements
