

Gartnavel Hospitals

Walking and cycling guide 2021

Gartnavel Hospitals

Situated in the north west of the city, Gartnavel Hospitals campus comprises of NHSGGC Board headquarters, Gartnavel Royal Hospital, the Hub and Gartnavel General Hospital. The breadth and complexity of services at Gartnavel Hospitals have expanded considerably. Gartnavel Royal Hospital provides a wide range of mental health care services including Inpatient Services, Learning Disability and Addiction Services.

A broad range of medical and surgical sub specialities is provided at Gartnavel General Hospital. These include the Brownlee Centre for communicable diseases, the NHS Centre for Integrated Care, the Ophthalmology department, the West of Scotland cancer treatment centre (Beatson) and laboratory services incorporating the Leukaemia Research Centre.

Active Travel

NHS Greater Glasgow & Clyde recognise that physical activity is essential for good health and encourage staff and visitors to consider walking and cycling as a great way to travel to Hospital sites. This map indicates the shared access routes to hospitals and healthcare facilities. Designated visitor cycle parking is located on most sites.

Commuter cycle training is available for NHS Greater Glasgow & Clyde staff. There are a range of training courses available from basic beginners training to advanced on-road manoeuvre training for proficient cyclists. Please note courses are arranged subject to demand.

Gartnavel Hospitals Campus is well served by bus and rail travel services, within the immediate area, through major arterial routes across Glasgow and interchange with the subway at Kelvinbridge and Partick Interchange for onward connectivity. Bus services provide direct access to the main entrance at Gartnavel General.

There are three rail stations in close proximity of Gartnavel Hospital Campus, namely Hyndland, Jordanhill and Anniesland stations, with Hyndland station approximately 0.5 mile walk from the main entrance.

To plan your journey by public transport, please use www.travelinescotland.com journey planner or visit www.scotrail.co.uk

Information on planning the optimal cycle route that suits you, is available at www.cyclestreets.net

Walking journey planning is available at www.walkit.com

Gartnavel Hospital has been awarded Cycle Friendly Employer status by Cycling Scotland.

Cycling to Work

The Cycle to Work scheme is a salary sacrifice scheme available to NHS Greater Glasgow & Clyde staff*. With the Cycle to Work scheme, you can get your bike tax-free, which for most people means they save between 25% and 32% of the cost. Loans are available up to a maximum of £4,000 to use at a wide range of retailers, including E bikes or if you just want to purchase some new accessories. As well as saving you money, it is good for your health and the environment.

Secure cycle parking is available at the main entrance to Gartnavel General and at the side of the Beatson. Visitor cycle parking is available at JB Russell House, the Hub, the Centre for Integrated Care and at the main entrance to Gartnavel General. There is also a bike repair stand at the main entrance to Gartnavel General.

Showers are available in the Administration building, JB Russell House and west end of West House for Gartnavel Royal and are located within staff changing areas. Please contact the respective site facilities management for more information.

There is a NextBike bike hire facility at Great Western Road entrance to the Hospital Campus.

*Terms and Conditions apply

NHSGGC have a Bicycle User group for staff. Please contact TravelPo@ggc.scot.nhs.uk if you wish to be added to the BUG distribution list and be kept informed of initiatives and relevant cycling information for NHSGGC staff.
